## Temporary Electrical Service Application

Please Print

I, \_\_\_\_\_ the building permit applicant for project  
\_\_\_\_\_ Permit # \_\_\_\_\_ located at \_\_\_\_\_  
(911 Address)

do hereby apply for temporary use of the permanent electrical service according to section 10.8 of the NC Electrical Code for a period of \_\_\_\_\_ days.

- I have read, understand and agree to abide by the requirements of section 10.8 of the NC Electrical Code.
- I understand that only the portions of the electrical system to facilitate construction shall be energized.
- I understand that no portion of the electrical system shall be energized until written approval is received from the electrical Code Enforcement Official.
- I understand that failure to comply with section 10.8 of the NC Electrical Code, or occupying the building prior to a Certificate of Occupancy being issued, may result in the disconnection of power and/or the building permit being revoked.
- Security and notification shall be according to section 10.8.5 of the NC Electrical Code.

The following are circuits being requested for temporary power. (Attach additional sheets as necessary)
