

Christmas in the Park

Join us on the Friday after Thanksgiving to kick off the Christmas season. Activities for the children include a visit with Santa, airwalks, hayrides, and more. As the sun goes down join the Mayor as he turns on the lights of the 'Village' of Blowing Rock for the Christmas season. We will continue to celebrate with free hot chocolate and cider and some incredible local and regional bands. Don't forget to come back the next day (Saturday) at 11am for the Town's Traditional Christmas Parade.
