

Monday Night Concert Series

June 15 & 29th
July 13th & 27th
August 10th

The Monday Night Concert Series will begin it's 10th season this summer! Concerts are held in the Broyhill Park, Gazebo on the lake off of Clark Street. Performance begins at 7:00pm and the alternative inclement rain location is the American Legion Building on Park Avenue.

The Monday Night Concert Series is a spin off of the Farm House Inn and Restaurant that was located in Blowing Rock from the 1950's until 1997. Concerts feature a wide array of music and often feature Farm House Alumnus.

Concerts are free and open to the public. They are sponsored by the Blowing Rock Parks and Recreation.
